PITTERUROH, Jan. 11, 1860. Pritaburen, Jan. 11, 1860.

Dr. Kevser:—My wife has been afflicted with a bad cough and difficulty of breathing, for five or six years, which, for several years back, had gradually increased in violence. The complaint has been hereditary, and she had been treated by several physicians without any relief. In this state of her case, I procured some of your Pectoral Gough Syrup. I bought, the first time, a fifty cent bottle, which relieved her very much; I then called and got a dollar bottle, which cured her entirely, and she has now no trace of the former disease, except weakness. I would also state that I used the medicine myself to a cold and cough. The medicine cured me by taking one dose I express my entire satisfaction with the medicine, and you are at liberty to publish this if you desire to do so.

Alderman Fifth Ward.

PITTBURGH, Nov. 18, 1855.

DR. KEYSER:—Although not an advocate of Patent Medicines, in general, it affords me pleasure indescribs hie to recommend your Pectoral Syrup. As a medicine it is well worthy the attention of any person who may in any manner be afflicted with coughs, colds and hearseness of any hind, and for the peculiar qualifications for removing all that disagreeable sensation attending a severe cold.

I have been, more or less, in my life, affected with the severest of colds and hearseness. At times my throat would become so closed as to prevent my speaking above a whisper, and by taking a few doses of the above Syrup it would relieve me entirely.

In recommending this medicine, I must unhesitatingly say that it is the best remedy I ever found, purporting to In recommending this mondant, I must unastantly say that it is the best remedy I ever found, purporting to cure the above, nor should any family be without this remedy for diseases so prevalent.

COL. PRATT AND DR. KEYSER'S PECTORAL SYRUP.—DR. KEYSER—Dear Sir: Excuse the delay of my acknowledging the excellence of your Pectoral Cough Syrup sconer. I take great pleasure in saying that it is all you say it is. If hnocked the noise out of my cough and the worst one I was ever afflicted with: I have not used more than one-half of the bottle, and I can and do wish that all who are afflicted would give it as fair a trial as I have done, and they will be proad to say, "It is no quack medicine." I would not suffer another such an attack for any consideration, or at any cost. I am confident I can breathe more freely than I ever did. I shall always acknowledge a debt of gratitude for inventing so excellent a remedy. You are at liberty to use my name in this regard, as you think proper. E. F. READ THE TRUTH.—Dr. Kryszk: I have a daughter who has taken several medicines for a bad cough, without benefit—among them Ayer's Cherry Pectoral.—I purchased from you a bottle of your PECTORAL SYRUF, and before she had used half a bottle she was relieved. The second bottle cured her entirely of her cough.

GREAT CURE BY DE, KEYSER'S PECTORAL SYRUP.—I live in Pechles township, Allegheny county.

I had a coughing and spitting, which commenced acout the 4th of February last, and continued sight months. I employed the best physicians in the country, and my DONNALD KENNEDY. cough continued unaisted until early in October. At that time I was advised to try your PECTORAL COUGH RYRHP, which I did, and after I had taken one bottle I was entirely free from the coughing and spitting. I had despaired of ever getting well, and I think it should be known that this valuable remedy will do for others what it has done in my case.

A WONDERFUL CUEE.—Some time ago, an old neighbor of mine was very ill, with a bad cough which every one supposed to be consumption. His relatives told me that he had taken every remedy they heard of without benefit; his brother came to see him die, and all were confirmed in the belief that he could not live. I had about the third of a bottle of your Pectoral Syrup, which I gave him, and it entirely cured him, to the astonia is a second to the second that he case more remarkable, is the extreme age of the man, he being about eighty years old. DR. KEYSER'S PROTORAL SYRUP IN BLAIRS DR. KEYFER'S PROTORAL STRUCT A BARLEY VILLE.—Please send me another supply of your valuable "Pectoral Syrup." Almost everybody around us has the cold and are inquiring for "Dr. Keyser's Pectoral Syrup." We have sold sixteen bottles last week, and are now entirely out. Mr. A. Alterand Mr. P. Mahre, both of Blairsville, Pa, tell us they would not be without it in their families. In fact, all who use it once want it was a "Your respectfully."

ANOTHER NEW CERTIFICATE-DR. KEYSBR'S ANOTHER NEW ORRTIFICATE—DR. REYSBER'S
PECTORAL SYRUP.—I had been troubled with a cough
and cold for several weeks—so had was it that I could not
sleep. I had the advice and prescriptions from three of
the bestphysicians in the city, whom I could name, but do
not do so. I finally procured a bottle of your Pectoral
Syrup, which cured me entirely. Bigned,

"STOP THAT COUGHING."—'How can I do it?" "Go
to Keyser's on Wood street and get a bottle of his Cough
Pectoral, and if that don't cure you, your case must be
desperate indeed." This is a specimen of the colloquy
one hears almost every day in cold catching periods of
the year. And we can, from sciual experiment, cheerfully concur in the adviser's admonition as above, for when the principle of the "Pectoral." in a most stubborn case, with
entire anocess. Near two weeks ago we went to Fitsburgh,
with one of the most distressing, contrary, mulish, unsubduable coughs we ever experienced since our advent
upon this mundane sphere. We coughed steadily and
but it was no go. In fact it seemed rather to have imroved by practice, and to have acquired strength, potency and distressibility by the operation. In this stage of
the siege, we coughed our way to Keyser's, 140 Wood St.

—procured a fity cent bottle of the "Pectoral," look it
according to directions, and in forty-eight hours we were
unsater of the field, the enemy having unconditionally
surrendered, after a brief but unequal conflict with so
formidable an adversary as Keyser's famous "Cough
Pectoral."—Drownsville Cupper, Dec. 14, 1859.
